Dear Employee:

Architecture, Engineering, and Construction (AEC) would like to solicit your advice and feedback on <Insert Building # and Name, insert project name and number>. We appreciate that you are willing to take the time to participate in this survey.

AEC is responsible for the design and construction of U-M's new buildings as well as renovations. First and foremost, your response will help us fine-tune this building to be sure we are providing pleasant and productive workplaces for the employees and the public. Additionally, AEC will use your response to guide the design and construction of future projects.

Instructions:

Please complete the survey below. If you would like to provide more information or an opinion on any specific issue, you may provide comments in the box at the end of the survey.

All responses will be kept strictly confidential.

If you need any assistance in completing this form or need the survey supplied in a different format, please contact <aec.sustainability.team@umich.edu>.

Thank you for your time and assistance.

AEC Sustainability Team

Architecture, Engineering & Construction (AEC)
Background

Date: 
Time: 
Room Number: 
For which department do you work? 
Which floor is your primary workspace located? 
Which area of the building is your primary workspace located (north, east, south, west, core):
