Reference Documents:
South Coast Air Quality Management District (SCAQMD) Rule 1113, Architectural Coatings, rules in effect on January 1, 2004

Design Requirements

Follow the guidelines below when selecting and specifying paint products. Use low-VOC products complying with the referenced standards except when circumstances conform to the stated exceptions.

- For wood coatings comply with SCAQMD Rule 1113 in effect on January 1, 2004.

White board, chalk board and idea paint types of finishes shall have clearly marked boundaries to avoid damage to adjacent standard painted surfaces.

Design professional shall verify compatibility of primer and finish paint, coating etc.

Exceptions: Obtain the written permission of the Design Manager for all exceptions.

- Animal rooms.
- Areas subject to standing water or extremely high humidity.
- Exterior paints and coatings.
