Avoid use of Ramp Type D.
This detail does not meet ADA striping requirements.
Do not install sidewalk Ramp type D on U-M projects unless Campus Planning and AEC Civil approve.

Note: Check MDOT website for Ramp updates and use most recent.
Notes to designer (do not print on detail):
1. Install on ramps at street crossings.
2. Detectable warnings are typically not installed on ramps in parking lots.
3. Use most recent detail from MDOT website.
